Hayling Island
Arts Trail 

How the Hayling Island Arts Trail works

The Hayling Island Arts Trail is an annual art festival and open studio event, run by artists for artists, and for the community in the Borough of Havant.

All artists in the Borough are welcome to take part, and those not having studios on Hayling Island are warmly invited to exhibit at one of the multi artist venues on the Island.

We have a couple of open meetings each year to which all Hayling Island Arts Trail artists are invited. One is held in June soon after the end of Hayling Island Arts Trail to review what was good, and what needs fixing, and a planning meeting is held in September where we agree the committee and dates and deadlines for next year's Hayling Island Arts Trail.
